PROFESSIONAL SUMMARY

Bilingual Spanish–English Interpreter with 5+ years of professional experience providing high-accuracy OPI and VRI interpretation for medical, legal, emergency, and customer service settings. Proven track record working with top language service providers including LanguageLine Solutions, Propio Language Services, TransPerfect and Globo.

Highly skilled in medical terminology, consecutive interpretation, note-taking, and memory retention, with strict adherence to HIPAA regulations, interpreter ethics, confidentiality, and cultural accuracy. Fully Remote Ready with professional home office setup meeting all technical requirements.

PROFESSIONAL EXPERIENCE

Over the Phone Interpreter (Freelance)

Jun 2024 - Dec 2025

Propio Language Services

- Specialized in medical interpretation including triage, primary care, pharmacy, pre-operative and post-operative consultations.
- Applied advanced note-taking techniques to ensure accuracy during long and complex segments.
- Demonstrated adaptability to diverse accents, speech rates and cultural contexts.

Results:

- ★ High client satisfaction and minimal clarification requests
- ★ Fast response time and consistent call quality

Medical & General Interpreter (Remote – OPI/VRI)

Mar 2022 - Jun 2024

LanguageLine Solutions

- Provide high-volume consecutive interpretation for medical, emergency, social services and financial calls.
- Facilitate clear, accurate and culturally appropriate communication between Limited English Proficiency (LEP) individuals and service providers.
- Strict compliance with HIPAA, confidentiality policies and interpreter code of conduct.

Key Achievements:

- ★ Maintained an average QA Score of 96%
- ★ 100% schedule adherence
- ★ Strong performance in high-pressure and sensitive call environments

Contract Interpreter – OPI / VRI

Nov 2020 – Jan 2022

Globo / TransPerfect / Other Platforms

- Delivered professional interpretation services in general, community and legal settings.
- Maintained professional telephone and video etiquette across multiple platforms.
- Independently resolved technical issues while maintaining service continuity
